

PRABHU STANISLAUS

AI Strategy • RPA & AMS Delivery Leader • Generative AI Trainer
AI-Assisted Software Development

+91-99620-60025 | prabhu.stanis@outlook.com | [Linkedin.com/in/prabhustanislaus](https://www.linkedin.com/in/prabhustanislaus)

Professional Summary

Seasoned technology leader with 25+ years' experience spanning Application Managed Services, Robotic Process Automation, Process Mining and AI/GenAI adoption. Exposed to AI-assisted development workflows with hands-on experience in GitHub Copilot, Cursor.AI, and modern prompt engineering for code generation. Proven track-record in designing & delivering large-scale managed services, turning around red-status programs, and leading AI strategy workshops. Certified Automation Anywhere Solution Architect, Certified GenAI Project Manager, ITIL-v3, and a sought-after corporate trainer for Generative AI, ChatGPT prompt-engineering and AI governance.

Value Proposition for GenAI Programmes

- Deep blend of enterprise strategy, programme management and hands-on GenAI solutioning.
- Delivered 20+ AI / GenAI boot-camps (C-suite to tech leads) in the past 24 months.
- Built & mentored Centres-of-Excellence; defined governance, risk & change frameworks.
- Exposure to RAG pipelines, prompt evaluation, and cloud notebooks.

Core Skills & Tooling

AI Strategy • Generative AI & LLMs • Prompt Engineering • RPA (Automation Anywhere, UiPath) • Application Managed Services • Project / Programme Management (Agile & Waterfall) • ITIL & Service Governance • AI Ethics & Risk • Change Management • Pricing & Bid Management • Cloud ML (AWS, GCP, Azure) basic exposure • JIRA • Git / DevOps • Celonis Process Mining

AI Assisted Software development using Github Copilot. Seasoned SDLC knowledge and Project Management experience

Training Philosophy for AI-Assisted Software Development

Committed to fostering an "AI-First mindset" while maintaining security, ethics, and code quality standards. Focus on practical, hands-on learning that bridges the gap between AI tool capabilities and real-world enterprise development needs.

Professional Experience

- Sep 2021 to March 2024 & Jan 2025 to Present | Independent Consultant & Trainer, Chennai
 - Designed & facilitated enterprise GenAI adoption roadmaps for mid-market clients.
 - Working with Eureka Forbes to build up GenAI skills across their organization as part of their Digital transformation.
