Empowering professionals to communicate with clarity, confidence, and impact.

Profile

Sonali Chandanani is a Hindi and English Spoken Language Trainer, communication coach, and educator with over **7 years of experience** across academic and professional environments, including schools, training institutes, NGOs, and the hospitality sector.

With a strong foundation in education and psychology, she has worked as a **preschool teacher, high school English educator, curriculum developer, teacher trainer, and soft skills facilitator**. Her diverse background enables her to effectively train **professionals, educators, and emerging learners** across different stages of development.

She specializes in **spoken language proficiency, workplace communication, and confidence building**. Her training approach is practical and result-oriented, incorporating **interactive sessions, storytelling, role-based simulations, real-life business communication scenarios, phonics-based techniques, and experiential learning** to ensure immediate applicability in professional settings.

She has successfully **conducted 50+ workshops** for **corporate teams, educators, and parent groups**, delivering measurable improvements in communication clarity, fluency, and confidence. Her training has supported **working professionals, teaching faculty, and service industry teams** in enhancing their interpersonal and workplace communication skills.

An **award-winning educator** recognized for excellence in classroom management and teacher training, Sonali is known for creating structured, engaging, and supportive learning environments.

Fluent in **Hindi, English, and Marathi**, she brings adaptability and cultural awareness to her sessions. She holds a **B.Sc. in Psychology**, a **Diploma in Early Childhood Education**, and a **Storytelling Certification with Aparna Atreya**, strengthening her ability to design impactful and engaging learning experiences.

She is known for being **patient, observant, empathetic, adaptable, well-organized, and a strong team leader**, with a keen ability to understand learner needs and tailor training accordingly.

Vision

To empower individuals to communicate with confidence, clarity, and empathy, enabling them to thrive in both professional and personal environments.
