- Conducted workshops and seminars on java technology.
- Application deployment in IBM Bluemix Cloud with IBM DB2, and **MySQL**.

3) Company Name: Joyan Communications Pvt. Ltd. (Business partner of IIHT Pvt Ltd.)
   Duration: October 2016 to June 2017.
   Designation: **Software Trainer (Java/J2EE Trainer)**

Responsibilities:
- Schedule and conduct training for new hires during orientation process.
- Design training material and documentation with primary goal of building internal training catalog.
- Providing the training on the use of the technical languages in the project work as well as providing Java Technical leadership in designing and implementing the plans
- Evaluated and graded assignments, tests and project work.
- Developing the technical programs and offering the updated knowledge to the candidates

4) Company Name: Equinox consulting Pvt Ltd.
   Duration: February 2016 to September 2016.
   Designation: **IT Technical Recruiter**

Responsibilities:
- Schedule and conduct training for new hires during orientation process.
- Design training material and documentation with primary goal of building internal training catalog.
- Providing the training on the use of the technical languages in the project work as well as providing Java Technical leadership in designing, architecting, and implementing the plans
- Evaluated and graded assignments, tests and project work.
- Developing the technical programs and offering the updated knowledge to the candidates

Technologies worked on:

Java, J2EE, HTML, CSS, JSP, Oracle SQL, JDBC, Java, JSP, Servlets, JavaScript, Tomcat 6.0, Eclipse 3.6, Apache.

5) Company Name: Swra Akshara Infotech Pvt Ltd.
   Duration: June 2015 to November 2015.
   Designation: **Junior Software Trainee**

 Accomplishments:
- Designed Front-end webpage using HTML and CSS.
- Manage various databases with Visual Basic and Access/Excel
- Hosted website with Hostinger and Google drive.

AREAS OF EXPERTISE:

Programming: C, C# Programming, Java Programming, SQL, J2EE, JDBC, C# .Net. Object Oriented Programming, HTML5, CSS3 and JavaScript.

IDE: Eclipse Neon3, NetBeans, IntelliJ, MyEclipse, Web Development: Apache 2.0, Tomcat, glassfish, HTML, IBM Bluemix Cloud, sublime, Brackets

TECHNICAL SKILLS:

Programming Languages	Java, J2EE, C, C++, SQL, C# .Net, JDBC, SQL Server, WeChat Mini Apps, Python Basics,
J2EE Technologies/Web Technologies	Servlets, J2EE, JSP, JDBC, JSTL, ASP .Net, ADO .Net, WPF, Winforms, Node JS, Angular JS, React JS Hibernate and Spring Core, Spring Boot, Spring MVC, Spring Cloud, Docker
Middleware	Apache Tomcat web server, Glassfish, IBM Bluemix Cloud
Scripting Language	HTML5, CSS3, JavaScript and JQuery, XAML
IDEs	Eclipse, My Eclipse, Net Beans, IntelliJ IDEA, VS Code , MS Visual Studio 2019, Spring sts4

Database and tools	MS SQL, Oracle 9i/10g/11g, SQL Server, MySQL, SQL Developer, IBM DB2, Navicat, Big Data, Hadoop (Basics)
Operating Systems	Windows 7,8,10, and Windows XP, Linux (Basics)

EDUCATION:

Bachelors in Electronics & Communication, JNTU Hyderabad, India.   Oct-2011to May-2015

PERSONALITY TRAITS:

- Able to explain technical information in everyday language
- Good Presentation, Interpersonal and Communication Skills
- Ability to work independently and with team.
