UDAYA KUMAR.M

M.Sc In.ch, M.sc Env Sci, Diploma in Industrial Safety-RLI

Safety Officer (Govt of India Approved),

Safety Auditor OSHA & IS 14489,

CMRL Appr. Safety Trainer

Abroad Experience: Qatar Steel Plant –Approved Safety Trainer

Email - : sssuday3@gmail.com ,

Mobile No:+91 9444226656

Objective: Seeking for the Position of Safety officer/Manager in a manufacturing large or medium industry in **South India**. Having **Thirty five years** experiences in the area of managing safety aspects/Training /Audit in Manufacturing Industry/ Audits major client's.Also got the exposure of Safety procedures, standards, Rules &Regulations to promote/implement effective safety environment at organisation/site to eliminate and reduce Hazards and risk at workplace to continuing task safely.

SUMMARY OF EXPERIENCE

- Working as Freelancer Safety Auditor and Trainer for Various Safety Consultancies from October 2020-till
- Working as out sourcing Safety Supporting Auditor, for **IITM** –July 2017 to Till Sep 2020.
- Working as Freelancer Safety Auditor ,Safety Trainer for various agencies also worked as CMRL approved Safety Trainer, for M/s.EHS Solutions and Engineering Solutions from Dec 2015 to till July 2017.
- Worked as **Chief Safety Officer** at M/s.MAS Group of Intimate Industry,involved in Garment business (Guduvanchery,Chennai, Tamilnadu)**Since March -2007 to Nov-2012(6.0 Years)**
- Worked as Deputy Manager -Quality cum Safety at M/s.STP **Limited**, Bituminous paint and Allied Water proofing compound Manufacturing (Chennai, Tamilnadu)**Since Dec -2003 to May-2007(4.0 Years)**
- Worked as Assistant Manager -Quality cum Safety at M/s.IWL **India Limited**, Bituminous paint and Allied Water proofing compound Manufacturing (Chennai, Tamilnadu)**Since March -2000 to Nov-2003(3.0 Years)**
- Worked as Quality Chemist cum Safety Supervisor then Turned into Asst.Manager QC&R&D/Safety at M/s.**HC Kothari Group of KSCL , Nitro Aromatics** Industry of Nitro Aromatic Chemicals and Allied Product Manufacturing (Karaikal, Pondy State)**Since Oct 1991 to March 2000(9.5 Years)**
- Worked as **Quality Supervisor cum Safety Supervisor** At M/s.TANFAC Industries ,Aditya Birla Group-TIDCO Joint Venture organization of Aluminum Fluoride and Allied Product Manufacturing (Cuddalore Tamilnadu)**Since March 1987 to Oct 1991(4.5 Years)**

Health And Safety:

- A Comprehensive knowledge of Industrial Safety in Manufacturing Industrial Safety as well as training/Audit Exposure on Construction and Demonstrating. of work environment, Hazards and Operability studies Projects and sites. Job Safety Analysis and risk assessment. Industrial Hygiene and Health Inspection at workplace.
- Completed Safety Awareness programme, Fire Fighting and Emergency Preparedness Programms at Qatar Steel Plant for four days on behalf of M/s.Synergy Training and Event Managemenet,Gurgaon 2016-2019
- Worked as Safety In charge for Acciona Wind power Ltd., Kaverapettai Construction Site during May 2016 to Nov 2016 on behalf of M/s.Sriram Safety and Quality Management Systems Pvt Ltd,Chennai.
- Working as Freelancer Safety Trainer Consultant Auditor for various consulting Agencies like M.S.chola,TUV-SUD South Asia,SEED,Maxwell Training Academy,Shakthi Safety Services at Chennai, M/s.Synergy Training and Event Management ,
- Working as Freelancer CMRL approved Safety Trainer, for M/s.EHS Solutions and Engineering Solutions from Dec 2015 to till July 2017.
- Working as out sourcing Safety Supporting Auditor, for IITM –July 2017 to Till Sep 2020.

Area of Expertise

Safety Audit ,IS 14489-1998, Training in all Topics Safety Management System Expertise.

Documentation: have been involved in preparation of Group Risk Assessment, Health Risk Assessment and maintaining record of it and implementing suggestion.

Audit: Safety Audit for proper safety System requirement as Per Standard, Client requirement, Audit & Inspection, Investigation as per client requirement. Including pre assessment o/p,c/s,meeting , preparing and submitting the report.

Safety Management System: Clear Knowledge of establishing system, to develop and establishing

Training: Ability to develop Power point and videos with respect to Training needs, and interact.

PROFESSIONAL QUALIFICATION

- Diploma Industrial Safety –Govt of India notified **one year full time passed** with First Class from **Regional Labour Institute Chennai**, under **Director General Factory Advice Service & Labour Institutes DGFASLI,Mumbai,State board of Technical Education and Training ,Department of Technical Education ,Chennai** in the year **2005-2006** Batch No;24
- Post Graduate of **Master of Env.Science** from Bharathiyar University,Coimbatore,from 2006-2008in First Class
- **Lead Auditor Occupational Health and Safety Management System OSHA -18001-2007 –IRCA through SAI Global on 05/01/2012**
- Approved **Safety Trainer for Chennai Metro Rail Limited projects** on behalf of M/s.EHS Solutions and Engineering Consultants, Chennai

ACADEMIC QUALIFICATION

- Degree of Bachelor of Science in Chemistry from University of Madras , passed with First Grade in April 1983
- Institution of Chemist(India), Calcutta Diploma of Associate ship (M.Sc chemistry) Passed with Second class In May 1993
- 12th. Passed from State Board of Tamil nadu in 1980
- 10th. Passed from State Board of Tamilnadu in 1978

TRAININGS

- **FIRST AID (Medical Course)** from St.John Ambulance from Chennai,March 2008
- **Fire Fighting Certificate Course From National Fire Armour,Chennai,July 2008**
- **Internal Auditor Training Programme participated at SRM Roval Southern Hotel ,Chennai in 2009**
- **Inducted for Sr.Offcier Training 5 days programme at Reliance Industries ,Hazira,Gujarat for plant and Safety Health Environment during Jan 1998 from HC Kothari Group industry.**
- Participated Seminar **on Safety Health of Workers in the Construction Sector: Emerging Issues** during 24-25th Jan 2008 conducted by Govt of India ,Ministry of Labour &Employment Directorate General Factory Advice Services& labour Institutes (DGFASLI),Mumbai at Regional Labour Institute ,Chennai-20
- Attended Two days programme on 18-19th April 2008 on Managing Hazard in Industries –key to Safety and Productivity improvement by Assocham,The Associate Chambers of Commerce and Industry of India.

SAFETY MOTIVATION AND RESPONSIBILITY

- Organizing various Quarterly/Half Yearly/Yearly Safety Competitions.
Safety Slogan/Quotation/Poster/Models/Skits/Video
- Quarterly Safety Campaigns like: Road safety campaign, Housekeeping campaign, Campaign for using PPE etc.
- Regular Safety Suggestion Scheme.
- National Safety day Celebration organising and Exeuting at Plant levels
- Supporting to the organization during CSR campaign wrt Safety ,Environment activity at local.

PAST WORK EXPERIENCE DETAILS

- Working as out sourcing Safety Supporting Auditor, for IITM –July 2017 to Till Sep 2020.
- Working as Freelancer CMRL approved Safety Trainer, for M/s.EHS Solutions and Engineering Solutions from Dec 2015 to till July 2017.
- Worked as Chief Safety Officer at M/s.MAS Group of Intimate Industry,involed in Garment business (Guduvanchery,Chennai, Tamilnadu)**Since March -2007 to Nov-2012(6.0 Years)**
- Worked as Deputy Manager -Quality cum Safety at M/s.STP Limited, Bituminous paint and Allied Water proofing compound Manufacturing (Chennai, Tamilnadu)**Since Dec -2003 to May-2007(4.0 Years)**
- Worked as Assistant Manager -Quality cum Safety at M/s.IWL India Limited, Bituminous paint and Allied Water proofing compound Manufacturing (Chennai, Tamilnadu)**Since March -2000 to Nov-2003(3.0 Years)**
- Worked as Quality Chemist cum Safety Supervisor then Turned into Asst.Manager QC&R&D/Safety at M/s.HC Kothari Group of KSCL , Nitro Aromatics Industry of Nitro Aromatic Chemicals and Allied Product Manufacturing (Karaikal, Pondy State)**Since Oct 1991 to March 2000(9.5 Years)**
- Worked as **Quality Supervisor cum Safety Supervisor** At M/s.TANFAC Industries ,Aditya Birla Group-TIDCO Joint Venture organization of Aluminum Fluoride and Allied Product Manufacturing (Cuddalore Tamilnadu)**Since March 1987 to Oct 1991(4.5 Years)**

ACHIEVEMNT-SAFETY AUDIT RECORD

Successfully carried out Safety Audit as Per IS 14489-1998 along with Team for pioneer Industries of the following industries, during the audit time I am the front roll player for preassessing the organization audits focus, leading the opening meeting ,scheduling the audit and closing meeting team leader and also preparing the report on behalf of team.

➤ Tamilnadu Explosives, Katpadi,in	<ul style="list-style-type: none"> ➤ Marico Limited, Pondichery ➤ Anugha Industry (Marico Limited), Pondichery ➤ Moreshwar Enterprises (Marico Limited), Pondichery

ACHIEVEMNT

RISK ASSESSMENT AND HAZOP STUDY

- Conducted for IOCL, Kadappa LPG Bottling unit for 2015 on behalf of M/s. Shakthi Safety Services, Chennai, co-ordinated for the order and leading the show top to end.

KEY SKILLS

- Develop & implement EHS Management System.
- Advise & assist to the management for establishing EHS Management System.
- Ensure compliance of all legal requirements
- Carryout Hazard Identification and Risk Analysis/ Job Safety Analysis
- Conduct OHSAS 18001/ EMS 14001 Internal Audit
- Effective Safety Inspection on daily basis
- Establish Emergency Preparedness & Response Plan
- Investigate Accident/ Incidents
- Arrange Safety Promotional Activities i.e. Safety Week Celebration, Fire Week, etc.
- Co-ordination with each Team in respect of safety matters , Organize / co-ordinate common safety program across site
- Give training on Safety Awareness / BBS
- To ensure safety compliance when work is carried out in common area,
- Extensive hands-on experience as a HSE Engineer in implementation of Health, Safety & Environmental systems & make sure all near misses & accident are identified / reported and appropriate action taken.
- Sound Health & Safety Engineering on a Construction projects such as Bridge/Metro (Elevated) auditing
- To address/solve environmental problems -air pollution, waste disposal, waste disposal and public health issues.
- Prepare and maintain EMP (Environment Management Plan) Assesses environment aspects and impacts and prepare register
- Assists the solution regarding to the environment sensibility.
- Coordinates with employees, contractors, external agencies for environmental issues.
- Helping hand in Safety related aspects in factory.
- Implementation of the project specific HSE Program Site (incl. associated documents, e. g. Safe Work Procedures) and in the project specific modification, extension and updating of the risk assessment for site activities.
- Monitor the implementation and effectiveness of the site HSE management system.
- Develop, update, organize and, if required, execute trainings and education concepts for site personnel and contractor's personnel with regard to HSE during construction.
- Contribute to systematic notification, reporting and investigation of HSE incidents. Evaluate and compile HSE statistics and performance.

4.WORK EXPERIENCE

- Worked as Chief Safety Officer at M/s. MAS Group of Intimate Industry, involved in Garment business (Guduvanchery, Chennai, Tamilnadu) Since March -2007 to Nov-2012 (6.0 Years)

ACHIEVEMNT

- 6 Year achieved without any LTI, Tamilnadu State Safety Award achieved for the year 2007-2008 on high man-hour organization category.
- Tamilnadu Govt Inspector of Factory issued Notification as **Chief Safety Officer** –Under **Tamilnadu Safety Officers (Duties, Qualification & Conditions of Service) Rule 2005** letter No:HR/JN/CIF/12/-2007 dt 17.03.2008.
- Free Interaction with all Facility members with respect to Safety, Health, Environment issue ,

- Total compliance during the tenure with respect to all audits like WRAP,ISO -14001-2004,Cleint audits,5S

DUTIED AND RESPONSIBILITY

- Asst.Management Representative for 14001-2004
- Implementing work permit system (Working at Height, at work, excavation, etc.)
- Environmental monitoring.
- Liaison with Government Authorities like IOF, health, hospitals
- Co-ordination with certified agencies (ISO14001, 5S, WRAP, etc.)
- Providing training for fire / general safety.
- Maintaining various types of fire fighting equipment's as per standards.
- Involvement in ETP, STP, R.O Water Treatment Plants & Hazardous waste management system.
- Monitoring air pollution control measures (Stack, ambient air monitoring)
- Statutory Testing of plant & equipments.
- Emergency evacuation plans execution.
- To advising in the selection, use, procurement & maintenance of Personal Protective Equipments (PPE).
- Ensure proper Installation, maintenance, refilling & HP testing of fire extinguishers.
- Periodical inspection and testing Fixed Fire Fighting installations & equipments.
- Conducting Fire drills to keep up efficiency of fire fighting crew.
- Emergency plan preparation, implementation and it's updating.
- Organizing for contingency drill (MOCK DRILL) & Fire drills.
- Assigning work and stand by duty to fireman for effective fire fighting & fire prevention activities.
- Maintain requirements of Occupational Health Center (medicine & equipments ambulance van etc.) as required and prescribed.
- Accident reporting and record keeping under Factory Act.
- Coordinating and organizing various Medical examinations & ensure proper record keeping.
- Pre-employment & Periodical medical examinations
- Specific examinations for persons working in Hazardous operations X-ray Chest, Pulmonary examinations & laboratory examinations
- Skin-infectious diseases check-ups, Eye checkups, Audiometric examinations
- Maintain health records of various types of examinations through nurse & doctors as prescribed under laws.
- Permissions for Factory Drawing approval and amendments and Competency certificate arrangements
- Contractor Licenses Registration from Directorate of Industrial Safety and Health & other Licenses in Tamil Nadu..
- Interaction with Fire Department for Fire licences. approval and renewal,
- Having very good interaction with respect to factory related Local Panchayat approvals like running licences, Professional tax, and Property tax and drawing approval. Co-ordination with Statutory Authorities including Public Health department for Sanitary Certificate and Food license
- Creating effective procedure for the preparation and implementation of programs within the area of , Health, Safety and Environmental Management in the organization.
- Conducting safety audits & Risk assessment, implementing Health, Safety & Environmental Management system and formulating Mutual aid scheme with neighboring industries.
- Handling administration, supervising and advising/directing the Health, Safety & Environment, Security systems and Building Maintenance.
- Acting as liaison with local regulatory agencies for the safety, Environmental program, ensuring submission of applicable monthly, quarterly & annual environmental reports & working with corporate EHS personnel on a frequent basis.
- Preparation of safety induction for visitors.
- Presentation of Housekeeping and another concerned safety issues for compliance.
- Coordination between working at height specialist and other specialist like rigging & lifting includes scaffolding specialist.
- Presentation of safety / training program for line management.
- Preparation of Internal Safety Meeting with our management.
- To prepare Method statement and risk assessment based on requirement.
- Preparation for internal and external audit.
- Preparation for HSE statistic report every month.
- Accident / incident investigation and work on Root cause analysis and their preventive measures.
- Daily Inspects work areas, machinery, equipment, and working conditions for compliance with occupational safety and health regulations.
- Preparation of all HSE documentation for the safety Audit periodical audit for subcontractor.
- To keep records up to date relating to accident/incident and its investigation analysis reports for future preventing.
- Checking unsafe acts and unsafe conditions. Safe work procedures/job safety analysis.

3.WORK EXPERIENCE

- Worked as Assistant Manager -Quality cum Safety at M/s.**IWL India Limited**, Bituminous paint and Allied Water proofing compound Manufacturing (Chennai, Tamilnadu)**Since March -2000 to Nov-2003(3.0 Years)**

- Worked as Deputy Manager -Quality cum Safety at M/s.STP **Limited**, Bituminous paint and Allied Water proofing compound Manufacturing (Chennai, Tamilnadu)Since **Dec -2003 to May-2007(4.0 Years)**

ACHIEVEMNT

- Accident free Man hours achieved without any LTI
- **Qualified for Regional Labour Institute –Diploma Industrial Safety One year full time course -2005 and completed in 2006**

DUTIED AND RESPONSIBILITY

- Preparation of Minutes of Meeting for contractors and includes our senior management to discuss regarding existing safety issues and observations from the manufacturing .
- Preparation of safety induction for visitors.
- Presentation of Housekeeping and another concerned safety issues for compliance.
- Presentation of safety / training program for line management.
- Preparation of Internal Safety Meeting with our management.
- Preparation of Safety Duty schedule for Safety department.
- To prepare risk assessment based on requirement.
- Periodic Inspection of Approved PPE'S and their execution at site.
- Monitor and Inspect fire, safety & environment equipment and facilities of serviceability compliance with established regulations, policies and standards.
- To display different safety promotional posters to educate & train the workforce to reach “**ZERO**” accident target and make environment safe & healthy.
- To keep records up to date relating to accident/incident and its investigation analysis reports for future preventing.
- Checking unsafe acts and unsafe conditions. Safe work procedures/job safety analysis.

2.WORK EXPERIENCE

- Worked as Quality Chemist cum Safety Supervisor then Turned into Asst.Manager QC&R&D/Safety at M/s.**HC Kothari Group of KSCL , Nitro Aromatics** Industry of Nitro Aromatic Chemicals and Allied Product Manufacturing (Karaikal, Pondy State)Since **Oct 1991 to March 2000(9.5 Years)**

ACHIEVEMNT

- Accident Man hours achieved without any LTI till **March 2000**

DUTIED AND RESPONSIBILITY

- Preparation of Minutes of Meeting for contractors and includes our senior management to discuss regarding existing safety issues and observations from the site.
- Preparation of safety induction for visitors.
- Presentation of Housekeeping and another concerned safety issues for compliance.
- Presentation of safety / training program for line management.
- Preparation of Internal Safety Meeting with our management.
- To prepare Method statement and risk assessment based on requirement.
- Preparation for HSE statistic report every month.
- Inspection and review of method statement, risk assessment, lifting plan, fall hazard risk assessment and permit system on workplace.
- Accident / incident investigation and work on Root cause analysis and their preventive measures.
- Issues verbal and written warnings when required. And receives safety complaints and coordinates with on-site staff for appropriate corrective and preventive actions
- Preparation of all HSE documentation for the safety Audit periodical audit for subcontractor.
- Checking unsafe acts and unsafe conditions. Safe work procedures/job safety analysis.

1.WORK EXPERIENCE

- Worked as **Quality Supervisor cum Safety Supervisor** At M/s.**TANFAC Industries ,Aditya Birla Group-TIDCO** Joint Venture organization of Aluminum Fluoride and Allied Product Manufacturing (Cuddalore Tamilnadu)Since **March 1987 to Oct 1991(4.5 Years)**

ACHIEVEMNT

- Accident Free Man hours achieved without any LTI till 1991.

DUTIED AND RESPONSIBILITY

- Preparation of Minutes of Meeting for contractors discuss regarding existing safety issues and observations from the site.
- Preparation of safety induction for visitors.
- Presentation of Housekeeping and another concerned safety issues for compliance.
- To prepare Method statement and risk assessment based on requirement.

- Ensuring tool box/Safety Talk meeting before starting daily job for briefing about hazards and its safety precautions.
- Daily Inspects work areas, machinery, equipment, and working conditions for compliance with occupational safety and health regulations.
- Issues verbal and written warnings when required. And receives safety complaints and coordinates with on-site staff for appropriate corrective and preventive actions
- Periodic Inspection of Approved PPE'S and their execution at site.
- To maintain Work Permit System, Risk Assessments, work method statement, Accident Investigation & Prevention Programmes, Inspection & Checking of Cranes, Hydras, Excavators, Transit Mixers and Piling etc.
- To display different safety promotional posters to educate & train the workforce to reach “ZERO” accident target and make environment safe & healthy.
- To keep records up to date relating to accident/incident and its investigation analysis reports for future preventing.
- Checking scaffolding & PTW (Red/Green tag). Checking of Lifting Tools/Tackles/Machines.
- Excavation Safety (Barricading/Benching/Shoring/Fencing) etc.
- Checking unsafe acts and unsafe conditions. Safe work procedures/job safety analysis.
- Issue work permit and check work area before start of work.
